

## Self-Cooking Center and Training

When you purchase a Self-Cooking Center® unit from **Rational**, you also receive four hours of training for your entire staff with a Rational certified chef. Additional support comes in the form of direct access to a sales manager, a 24-hour chef hotline for questions about the SelfCooking Center, two-year on-site warranty service and access to the updated Club Rational tool. For more information, visit [www.rational-online.com](http://www.rational-online.com).

## Beer Bottle Chandelier

Meyda Lighting offers lighting fixtures with personality, such as the two-tier 142 Bottles of Beer Chandelier crafted with amber-colored and green beer bottles. Custom Beer Bottle Chandeliers can be designed and manufactured in any style, size or color. For more details, visit the **Meyda Custom Lighting** website: [www.Meyda.com](http://www.Meyda.com).

## Holding Cabinet

The VHFA18 Non-Insulated Holding Cabinet from Vulcan is Energy Star® qualified, features a stainless steel design and is user-friendly for foodservice needs. It's easy to operate, designed to keep foods hot from cooking to serving. For product details from **Vulcan**, visit the website: [www.vulcanequipment.com](http://www.vulcanequipment.com).

## Small Sauce Cups

Dainty Sauce Cups from **American Metalcraft** make a big impression when they're used for anything from ketchup to flavored cream cheese. Available in black or white, manufactured from melamine, and available in black or white, the square styles come in 1 1/2 oz. and 2 3/4 oz. capacities. Visit [www.amnow.com](http://www.amnow.com) for information.

## Rewards Program

With more than 40,000 items, the **Foodservice Rewards** catalog allows you to redeem points toward merchandise, ACF educational products, show registrations and other association offerings. The loyalty program gives foodservice operators an opportunity to earn reward points for buying brands. It's free to join, and participation is easy. For more information, visit [www.foodservicerewards.com](http://www.foodservicerewards.com).

## Portable Bars

Rugged, durable and cost-effective Portable Bars from **FWE** have received NSF certification. To learn how the Portable Bars can offer cost savings for your operation, visit FWE's website: [www.FWE.com](http://www.FWE.com).
