

VULCAN ACHIEVER CHARBROILERS

VACB SERIES

High Performance, Convenience, Reliability and Durability.

Standard Features:

- Stainless steel sides, control panel, backsplash, top trim and grease trough for easy clean-up
- Powerful 18,000 BTU/hr burner in each 6" broiler section with infinite control manual gas valves
- Vulcan's "Supercharger" plates are standard—improving energy utilization and performance across the burner box
- Standing pilot ignition system is simple to light and provides immediate ignition and reliable performance
- Mounting options for counter, stainless steel stands, refrigerated bases or low-profile ovens
- 11½" working height of cooking grates improves work flow and allows unit to be installed on refrigerated bases and with the whole line of Achiever Hotplates and Griddles
- Best temperature profile of any charbroiler in its class—more useable heat (550-700 °F) into the grate area for maximum production capacity and productivity

Model Number	Number of Grates	Dimensions (W x D x H)	Total BTUs	Approx. Shipping Wt.		List Price

VULCAN LOW-PROFILE CHARBROILERS

VCCB SERIES

Standard Features:

- 14,500 BTU/hr aluminized steel tube burners in each 6" section
- Standing pilot ignition system with infinite control gas valve burner controls
- Deflector panels below each burner focus heat into the cooking zone for higher efficiency—this design also creates a "cool zone" in the full width grease drawer
- 13" working height—14¾" overall height on 4" adjustable legs
- Heavy duty cast iron reversible char-radiants and 5¼" wide "Flame Arrestor" broiling grates are standard
- Stainless steel sides, control panel, top rim, backsplash and full width grease trough
- ¾" gas connection with pressure regulator
- 1 year parts and labor standard
